

## **The *Northeastern Naturalist* . . .**

- ◆ A quarterly peer-reviewed and edited interdisciplinary natural history science journal with a regional focus on northeastern North America, including Canada (ISSN 1092-6194 [print], ISSN 1938-5307 [online]).
- ◆ Featuring research articles, notes, and research summaries on terrestrial, fresh-water, and marine organisms, and their habitats. The journal's versatility also extends to publishing longer manuscripts as separate monographs and symposium proceedings or other collections of related papers as special issues.
- ◆ Focusing on field ecology, biology, behavior, biogeography, taxonomy, evolution, anatomy, physiology, geology, and related fields. Manuscripts on genetics, molecular biology, anthropology, etc., are welcome, especially if they provide natural history insights that are of interest to field scientists.
- ◆ **Now** offers authors the option of publishing large maps, data tables, audio and video clips, and even powerpoint presentations as online supplemental files which will be linked to the full-text version of the journal in the BioOne.org database.
- ◆ **Now** offers an online-only monograph publication series in order to better meet the needs of authors looking for a cost-effective means of publishing large manuscripts in a high-profile peer-reviewed journal.
- ◆ Proposals for Special Issues, either as print publications or more affordable online-only issues, are welcome.
- ◆ The *Northeastern Naturalist* is indexed in the Web of Science (clarivate.com), EBSCO.com, and by way of author entries in Google Scholar and Researchgate. It is included in full-text in BioOne.org and JSTOR.org as well as on the journal's website ([www.eaglehill.us/nena](http://www.eaglehill.us/nena)).
- ◆ The journal staff is pleased to discuss ideas for manuscripts and to assist during all stages of manuscript preparation. The journal has a mandatory page charge to help defray a portion of the costs of publishing the manuscript. Instructions for Authors are available online on the journal's website ([www.eaglehill.us/nena](http://www.eaglehill.us/nena)) or by e-mail ([office@eaglehill.us](mailto:office@eaglehill.us)).
- ◆ Co-published with the *Southeastern Naturalist* (ISSN 1528-7092 [print], ISSN 1938-5412 [online]). Both journals are identical in focus, format, quality, and features. The journals together serve as a matched-pair of regional journals that provide an integrated publishing and research resource for the eastern part of North America. Also co-published with the *Caribbean Naturalist* (ISSN #2326-7119), an online publication that extends our coverage of natural history research to the waters, coastal areas and islands of the Caribbean region, and the *Urban Naturalist* (ISSN # 2328-8965), an online publication covering natural history research in urban, suburban, and other areas of impacted by major human development.
- ◆ Printed by Allen Press, printer of many journals in the biological and environmental sciences, especially those whose parent organization is a member of the American Institute of Biological Sciences (AIBS).
- ◆ May be ordered through any major subscription service. Back issues are available. A full listing of Tables of Contents is available online on the journal's website.
