

## The Southeastern Naturalist . . .

- ◆ A quarterly peer-reviewed and edited interdisciplinary natural history science journal with a regional focus on the southeastern United States (ISSN 1528-7092 [print], ISSN 1938-5412 [online]).
- ◆ Featuring research articles, notes, and research summaries on terrestrial, fresh-water, and marine organisms, and their habitats. The journal's versatility also extends to publishing longer manuscripts as separate monographs and symposium proceedings or other collections of related papers as special issues.
- ◆ Focusing on field ecology, biology, behavior, biogeography, taxonomy, evolution, anatomy, physiology, geology, and related fields. Manuscripts on genetics, molecular biology, anthropology, etc., are welcome, especially if they provide natural history insights that are of interest to field scientists.
- ◆ **Now** includes a separate Notes section presenting brief but interesting and significant field observations.
- ◆ **Now** offers authors the option of publishing large maps, data tables, audio and video clips, and even powerpoint presentations as online supplemental files which will be linked to the full-text version of the journal in the BioOne.org database.
- ◆ **Now** offers an online-only monograph publication series in order to better meet the needs of authors looking for a cost-effective means of publishing large manuscripts in a high-profile peer-reviewed journal.
- ◆ Proposals for Special Issues, either as print publications or more affordable online-only issues, are welcome.
- ◆ Indexed in Web of Knowledge (includes Web of Science, Current Contents Connect, Biological Abstracts, BIOSIS Citation Index, BIOSIS Previews, CAB Abstracts), PROQUEST, SCOPUS, BIOBASE, EMBiology, Current Awareness in Biological Sciences (CABS), EBSCOHost, VINITI (All-Russian Institute of Scientific and Technical Information), FFAB (Fish, Fisheries, and Aquatic Biodiversity Worldwide), WOW (Waters and Oceans Worldwide), and Zoological Record. Arrangements for indexing in other services are pending.
- ◆ The journal staff is pleased to discuss ideas for manuscripts and to assist during all stages of manuscript preparation. The journal has a mandatory page charge to help defray a portion of the costs of publishing the manuscript. Instructions for Authors are available online on the journal's website ([www.eaglehill.us/sena](http://www.eaglehill.us/sena)) or by e-mail ([office@eaglehill.us](mailto:office@eaglehill.us)).
- ◆ Co-published with the *Northeastern Naturalist* (ISSN 1092-6194 [print], ISSN 1938-5307 [online]), published since 1997. The journals together serve as a matched-pair of regional journals that provide an integrated publishing and research resource for the eastern part of North America. Also co-published with the *Caribbean Naturalist* (ISSN #2326-7119), an online publication that extends our coverage of natural history research to the waters, coastal areas and islands of the Caribbean region.
- ◆ Printed by Allen Press, printer of many journals in the biological and environmental sciences, especially those whose parent organization is a member of the American Institute of Biological Sciences (AIBS).
- ◆ Available online in full-text version on the journal's website ([www.eaglehill.us/sena](http://www.eaglehill.us/sena)) and in the BioOne database ([www.bioone.org](http://www.bioone.org), a collaborative effort of Allen Press, AIBS, et al.), EBSCO-host product line, and the Proquest Information and Learning databases ([www.il.proquest.com](http://www.il.proquest.com)).
- ◆ May be ordered through any major subscription service. Back issues are available. A full listing of Tables of Contents is available online on the journal's website.
- ◆ Adopted as the official journal of the Association of Southeastern Biologists and offered as a special member benefit option. For more details, go to [www.sebiologists.org](http://www.sebiologists.org).
